**THE PERFECT GIFT THIS HOLIDAY SEASON
IS AN EVERLASTING MEMORY**

With a difficult economic environment affecting all of us this season, choose a gift that is truly priceless. Book by Dec. 4 for a special "Let it Snow" portrait session, designed to capture the spirit and bonds between loved ones.

Included in the "Let it Snow" Collection:

- Creative fee, plus the time and talent of your photographer (30 to 60 minutes)
- Outdoor location photography of your choosing
- A password-protected website featuring a gallery of your enhanced images, complete with convenient online ordering (posted for 30 days)
- 25 beautifully designed holiday greeting cards featuring four of your favorite images. These sophisticated cards are meticulously modeled for quality, right down to the archival inks that have been color balanced by your photographer

Regular price: 300 • Now 150

Schedule your session by 5 p.m. Nov. 27
to also receive a complimentary 4x6 photo cd of your images.
